## Ask the Woman Who Owns One

"Mel Turner's wife traded her ironing board, a corner cupboard, a new flour barrel, an \$24.00 for a Hoosier Special."

She got the "best" kitchen cabinet at a bargain—your bargain is even better.

Only one factory in the world makes the "best" kitchen cabinet, and we are fortunate in having engaged for you a part of the special output they made up for Christmas.

The Hoosier Special at \$28.00 is made by skilled artisans who use both hands and brains, and think constantly about your little comforts and conveniences that count in your work.

Mr. Husband:

You ought to talk to us.

Christmas you know.

That is why Hoosier Specials (on our agreeable club terms) are such favorites for Thanksgiving and the holidays, and it is not for long we can promise as we do now, "immediate delivery."

For this reason we should like to introduce this Hoosier Special to you personally now, with an easy plan for owning one.

Even though you examine the cabinets several times, you need not feel under the slightest obligations to purchase
